

A HOTEL. A WINERY. AN EXPERIENCE.

THE WINERY HOTEL

The Winery Hotel in Stockholm is the first hotel in the world with an in-house winery. We make wine not only in the lobby but also at our vineyard Terreno in Tuscany. The fact that everything we do revolves around wine makes a visit to The Winery Hotel a completely new experience.

Two families who share a genuine interest in wine decided to create The Winery Hotel – the Söder family with a long history in the hotel business and the Ruhne family, for decades makers of high quality wine in Tuscany.

Wine oozes from every corner of The Winery Hotel – both inside and out. Oak barrels and shiny steel tanks meet the eye as you walk through the main entrance. Just open your senses and follow the grapes from barrel to bottle.

The design of our hotel rooms is inspired both by industrial Brooklyn and by the lush Tuscan countryside. Comfortable beds ensure complete rest enhanced by calming interior details like cork floor tiles, wine barrels and softly coloured walls.

THE WINERY

Dive into the art of winemaking and learn about the craftsmanship behind every bottle of our wines. Make sure to join a guided tour of the winery including tasting of our in-house wine.

WINE TASTINGS

Experience wine by joining a wine tasting with one of our sommeliers. There are also theme tastings and events several times a month. Please see the calendar on our website for what's on.

RESTAURANTS

Enjoy wine and food in perfect harmony in our main restaurant, Winery Kitchen. The wines are crafted by us in Stockholm or in Tuscany, and our wine cellar offers top quality wines from other parts of the world. Our busy Italian restaurant on the corner, Terreno Deli, is our image of a trattoria in Tuscany.

WINE BARS

From the Winemakers Bar in the lobby you look straight into the winery. Join a wine tasting and learn about the art of winemaking or use our wine dispensers offering a selection of wines to taste at your leisure. In Summer, a glass of wine or two can also be enjoyed at the rooftop bar by the poolside.

MEETINGS AND EVENTS

A meeting or conference at The Winery Hotel is an experience out of the ordinary. A number of conference rooms and event areas cater for both larger and smaller groups in an inspiring surrounding.

Be it a casual meeting, a big conference, a product launch, a trade fair, a kick-off or even a wedding you are seeking – we can create any kind of event to suit your wishes.

OUR TERRENO

The Terreno estate in Tuscany is also part of The Winery Hotel. Here, the art of winemaking and commitment to quality wine have been developed and refined since the end of the 1980's.

The Italian dream came true for Birgitta and Mats Ruhne when they took over Terreno in 1988. Since then, its vineyards have been cultivated with great respect both for the environment and for local tradition.

The family has enthusiastically followed the refinement of Chianti Classico wines and are proud promoters of the region in Sweden. Today Sofia Ruhne of the second generation is running the estate. The Winery Hotel is an enclave for the family to spread their knowledge and commitment to quality wines in Sweden.
